ADDENDUM ONE<sup>9</sup> (as passed at the 2 December 2017 – AGM by majority)

The Board of the British Baseball Federation (BBF) has a broad scope of powers, but they must not delegate the material interests and rights of its members. The BBF is made up of its members, without its members there would be no BBF. Directors of the BBF look after our member's affairs and of the Federation, and they are in a position of trust. The BBF does not receive any public funding. It is made of tangible and non-tangible assets (brand, cash in its bank accounts, assets, equipment, merchandise rights, national teams Programme, etc.). Its value is made up of all of the parts of its assets and not taking on excessive risk or liabilities. The above is fundamental to the sustainability of the BBF. The elected board cannot supersede its authority because it does not have guidelines as to where its authority is limited. The board, understanding its responsibilities and authority are essential elements to the being held accountable for their actions and performance. This resolution set-forth the following authority in a special EGM or AGM (terms as outlined in our BBF constitution) must secure the explicit authorisation of the majority of the vote from the paid members and in good standing. For example, in some circumstances, the board cannot vote or delegate the Federations interests whether financial, commercial, rights, or authority without the express consent of its members vote for the following:

- Merger;
- Assignment of 100% authority (National Governing Body) to another third party;
- Dissolving, or changing the voting rights of any of its members, as they are now (on this date and beyond) for any member.
- The transfer of ownership of the National Team programmes.
- The above resolution provides future boards with the guidelines where it can only act with the express majority consent of its members held in accordance in an EGM or AGM (refer to BBF constitution) and which does not supersede other terms in the BBF constitution.

<sup>9</sup> Addendum one serves a part of the BBF Constitution as of the 2 December 2018.
